

Thank you for your interest in Cedar Creek Country Club.

Cedar Creek Country Club is a member-owned Private facility with a current membership of approximately 350 families with diversified interests. We are a casual, informal club with a relaxed and friendly atmosphere geared towards providing our members a place to relax, have fun, and enjoy the amenities that we offer at Cedar Creek Lake.

Our 18-hole golf course is one of the area's most beautiful and challenging courses. It is enjoyable for the novice golfer, while challenging enough for the seasoned golfer. In addition to the golf course, the facility includes a driving range, putting green, and practice bunker.

We have a fully stocked Pro Shop, which carries brand names such as Puma, Callaway, TaylorMade, and Titleist. We also have the ability to order from any other manufacturers. We have a golf professional on staff, who is qualified to teach private lessons to men, women, and junior golfers who are wanting to improve their golf game.

The restaurant is housed in the elegant clubhouse. It offers a wide variety of menu items, with an emphasis on good "country" cooking as well as providing a fine dining experience. We are equipped to handle all your entertaining needs and pride ourselves in our friendly and efficient service. The lounge and bar area offers a more casual atmosphere with wide screen televisions, a fireplace, and a full-service bar catering to our adult members and their guests.

A variety of entertainment is regularly scheduled. From dance bands for all ages, DJ's, karaoke, theme parties, holiday buffets, golf tournaments for all ages and skill levels, pool activities for the children, and weekly dining specials.

The clubhouse, golf course, and tennis courts are open every day except Mondays, unless a holiday. The pool is open Memorial Day weekend through Labor Day.

We invite you to join Cedar Creek Country Club to experience lake living at its finest. Located only 45 minutes from Downtown Dallas.

## Golf Program

The greens at Cedar Creek Country Club consists of Tiff Eagle Grass, one of the finest putting surfaces available. Our irrigation lakes have been renovated allowing for an increase in water storage for the golf course; this also provides an enhanced view of the seventeenth hole. The course provides 6,819 yards of challenging play and beautiful tree-lined fairways for the advanced, as well as novice player.

Our professional golf staff can provide lessons to golfers of all skill levels, including both individuals and groups. They are eager to assist you in planning company tournaments or golf outings and will be happy to assist in implementing any golf related event.

The beverage cart is available Wednesdays, Fridays, Saturday, and Sundays (weather permitting)

# CEDAR CREEK COUNTRY CLUB MEN'S GOLF ASSOCIATION

On behalf of the Cedar Creek Country Club Men's Golf Association (CCCC MGA), we want to thank you for considering membership with our Country Club.

The Cedar Creek Country Club MGA is an organization that operates under the jurisdiction of the CCCC MGA Board of Directors. Our primary purpose is to promote friendship and good sportsmanship among our members, support the enhancement and continued success of our Club, and to contribute to our community through charitable and philanthropic actions. Membership is open to all male members of CCCC who are in good standing with the Club.

Membership is on an annual basis and terminates at the end of each calendar year on January 1<sup>st</sup> of the next year. The current dues are \$25 per year which are billed annually in December through your Club statement. All our membership and tournament revenues are used to sponsor our golfing events, support CCCC course improvements, host our annual Christmas Party and fund the annual MGA College Scholarships awarded each fall by our association.

Periodically the MGA sponsors special tournaments for MGA members and their guests. These are always enjoyable outings which are announced through the CCCC Newsletter with tee and winners' prizes. Additionally, the MGA occasionally sponsors special projects and course improvement efforts on behalf of our Country Club which are voluntary opportunities for MGA members to enhance our Club while engaging in productive fellowship with other members and friends. MGA members also play regularly on Wednesday mornings and Friday afternoons each week providing an opportunity for new members to meet and golf with fellow Association members. All MGA members are also enrolled in our Hole-in-One Award Program which pays \$1.00 per member for every formal recorded ACE in a round of golf! MGA sign up is available through the CCCC Pro Shop at 903-498-8419 with additional information available through the MGA's email address: [mga.cccc@gmail.com](mailto:mga.cccc@gmail.com).

The MGA has been responsible for many improvements at CCCC, on the course and around the clubhouse and we look forward to continuing this long and beneficial tradition. Again, thank you for considering membership in CCCC and we hope to see you soon as a member of the MGA.
