## CEDAR CREK COUNTRY CLUB WOMEN'S CLUB

The CCCC Women's Club was formed in October 2018. We meet monthly at the clubhouse for dinner, fellowship, WC updates, and committee planning sessions. The WC is all about bringing people together and spreading love & joy to our neighbors and beyond. We currently have 4 committees including Kindness, Patriot's, Family Events, and Travelers.

The Patriot's Committee has been busy showing love to our local first responders and military. In November, they provided a meal for the Kemp Fire Department. In December, they organized an event to collect goodies and necessities for our military group overseas. In March they will be serving dinner to the Mabank Fire Department. They are also planning a golf tournament for later in the year. Please contact Bobbie Jo Taylor or Linda Tibbets for information about the PC.

The Family Events Committee works to keep our children involved in the neighborhood and to plan fun events for all to enjoy. FEC provided the PC with cards made by our neighborhood kids to thank our Kemp first responders. They also spread holiday joy with the Christmas Caroling event throughout the CCCC. The neighborhood kids will be making Valentine's Day cards during the Sweetheart Dinner on Feb. 9<sup>th</sup> to be hand delivered to our neighbors along with soups the Kindness Committee will make and deliver on Feb. 10<sup>th</sup>. They are organizing a "Shamrock Shuffle and Shenanigans" walk/run/block party for Saturday, March 16<sup>th</sup>. We will walk/run through the neighborhood at 8am and then have a Block Potluck Party at 11am. Everyone in the neighborhood is welcome. More details to come. Contact Cheryl Pickens, Kerrie Main or Jessica Steele for information on the FEC.

The Kindness Committee strives to spread love to any of our neighbors in need. They focus on our home bound, widowed, or sick neighbors. For the holidays, they organized the neighborhood Christmas Caroling along with the FEC. They also sent fruit baskets to about 25-30 of our neighbors who are widowed, sick, or those who suffered a great loss this year. In January, the focus was on gathering a list of those who would benefit from a home-cooked meal, a visit, or the occasional "thinking about you" goodie basket. On Feb 10<sup>th</sup> they will prepare and deliver soups and Valentine's Day cards throughout the neighborhood. During Spring Break they will work with the Family Events Committee to have a card-making party for the Mabank firemen and EMTs that the Patriot's Committee will be feeding on March 25. Contact Sara Welther or Amy McAfee for information about the KC.

The Travelers Committee is all about having fun! We look forward to planning adult activities such as progressive dinners and day trips. Contact Cheryl Pickens for information about the TC.

We welcome all ladies who live @CCCC, The Ranch, or Lighthouse Landing to join our club. Also, all Country Club members who live elsewhere are welcome. You can find updates and information on our Facebook page, [CCCC Women's Club](#).

## THE PATRIOTS COMMITTEE

The patriots team is a hard working group of women (and their significant others) who try to give back to first responders and our service men and women. For this coming year we plan on providing a meal to first responders at the Mabank fire department and EMT. We are also organizing a golf tournament in the fall to help raise money for these projects.

# LETTER FROM THE GENERAL MANAGER

Tim Lawson, the Golf Professional and GM at Pinnacle, Gaylord Walden, the Golf Professional at Athens CC and I have been talking about creating a golf tournament that would encompass all three clubs. The three-way tournament would rotate between clubs and possibly be held in November. Scoring for the tournament would be with the Stableford Points system. On a similar note, we would still play our match play event against Pinnacle during August and I would like to add a match play competition against Athens during the summer, possibly in July.

As you may know, Pinnacle is closed on Tuesdays but open on Mondays. In the past, our members have been able to play Pinnacle on Mondays for a cart fee and Pinnacle members have been able to play our course on Tuesdays for the same fee. Also, you were able to make you own tee times at Pinnacle on Mondays. Going forward, that policy will remain in place. However, Tim and I have also decided to extend play at our respective clubs, through the entire week, for the same cart fee only price. The only difference for Wednesday through Sunday play is that our respective pro shop staff must make the tee times for our members to play at the other facility. Show up unannounced and you may be expected to pay the full guest fee. So, please remember to ask Stephen or myself to call Pinnacle on your behalf.

Another golfing opportunity that I hope our members will take advantage of is The Tempest, located about .5 miles north of I20 on Hwy 135 towards Gladewater, Texas. The Tempest is a multi-million-dollar renovation of an older course by the name of Shallow Creek. While all 18 holes have been rebuilt, 12 of the course's original 18 holes have been completely re-routed to take advantage of the terrain's many elevation changes. Our members can take advantage of a discounted rate of \$20.00 off regular greens fees, weekday or weekend. Once again, please ask the pro shop staff to make your tee time arrangements. When you finish playing, stop by the Country Tavern on Hwy 31, less than 15 minutes from The Tempest. Their bar-be-que is excellent.

Randy

## GOLF COURSE DRAINAGE FUND RAISER

As most of our golfing members are aware, we have several areas around our greens that don't drain very well. So, the Green's Committee has decided to address many of these drainage issues this spring. Dewayne has put together a plan with an estimate of \$5,000.00 to relieve the following areas:

### Greens

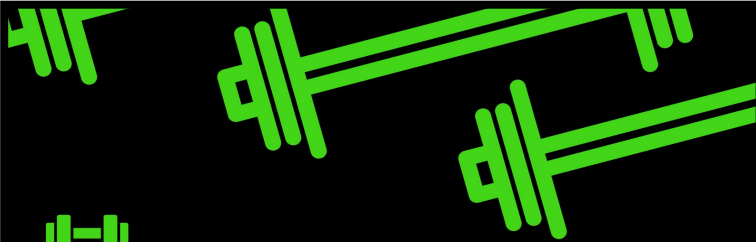

- #1 Across the front of the green and take the water down the left side into the trees.
- #6 Two lines across the front and right side of the green.
- #8 The right side of the green.
- #10 Across the front of the green.
- #11 Across the back center of the green.
- #12 Left side of the green and the back area.
- #14 Right front of the green.
- #16 Left grass bunker area and around the front of the green.
- #17 Front right area between the green and bunker.

Dewayne will work mainly on Mondays, attempting to complete one or two holes per day as to not disrupt play. He plans on beginning the project on in a few weeks.

**DONATIONS CAN BE MADE DIRECTLY TO THE  
FUND OR CHARGED TO YOUR ACCOUNT**

**Thank you!**

## SUPERINTENDENT'S NOTE

The year of 2019 is off to a running start.

Your golf course staff has pretty much completed our leaf issue around the course. We are continuing to remove saplings from trees and removing dead hazardous trees along the way.

Our greens surfaces have been sprayed with herbicides to kill out the POA annua that has emerged, a second application will be applied later this month.

Now that we have received a few nights of below freezing temperatures our Bermuda grass should be dormant enough to start spraying all fairways and roughs with post and pre-emergent to control our weeds without harming the turf.

We are continuing to rebuild our mowing equipment and installing new sprinklers on a daily basis, along with other improvements around your course.

Come out and enjoy a round of golf before temperatures become unbearable!

# WOMEN'S GOLF ASSOCIATION

We had a great turnout at our annual organizational meeting... there were twenty-seven ladies attending and we welcomed 5 new members; Sara Welther, Kerrie Main, Arlene Ballady, Twina Hetmer and Debra Lindsey (who could not attend the meeting). We welcome you now! We are so pleased to have them join us!

Our Play Day begins on March 7. Sign up is at 8:30am with a 9:00am Tee Time. The format is Scramble, so come out and enjoy your day and play with the girls. It's been so cold! Hopefully the weather will be more kind beginning in March so we can have some fun out there!

Our member and pro golfer, Julie Wells, will be offering free clinics on some of our Play Days. Julie also has clinics on the weekends. Look for her notices in the Beacon for those dates. Thanks Julie, we can always benefit from you and your expertise.

There is still time for ladies to join as it's just the start of the season. We encourage you to join at any level, including beginners.

Looking forward to a fun-filled GREAT SEASON!!!

See ya!  
Jeri Shelton

## NOTES FROM YOUR POA

I would like to thank the POA for allowing me to be their president for the past 2 years. It has been my honor to serve the community. The POA Board voted at the first part of January and your new president of the POA is Judy Green. She is excited to serve the community as well. I would like to encourage all members of the POA to participate and keep this community great. It takes many volunteers to make it work. April will start the "Yard of the Month". Stay warm and keep healthy.

# What's Cooking at Cedar Creek

This month we have rolled out a new menu that I hope fills everyone's stomachs and wishes. I have spoken with many members, picked their brains, and even tried out some of their recipes to get to the point we are currently. This menu is very simple compared to the other ones we have tried out here and it seems to be what is wanted; good quality home-style food. We are bringing back the Baked Potato Bar for Steak Night service as well as the salad bar. The specials will be sent out weekly as opposed to monthly. If there is a question about the new menu please feel free to call me. You can find the new menus posted online to take a closer look.

The time it has been taking to get food to a table has been addressed with kitchen staff, and we are working to solve this issue. We appreciate your patience with us as we're making these transitions. We look forward to many happy days ahead of us !
