Thank you for your interest in Cedar Creek Country Club.

Cedar Creek Country Club is a member-owned Private facility with a current membership of approximately 350 families with diversified interests. We are a casual, informal club with a relaxed and friendly atmosphere geared towards providing our members a place to relax, have fun, and enjoy the amenities that we offer at Cedar Creek Lake.

Our 18-hole golf course is one of the area's most beautiful and challenging courses. It is enjoyable for the novice golfer, while challenging enough for the seasoned golfer. In addition to the golf course, the facility includes a driving range, putting green, and practice bunker.

We have a fully stocked Pro Shop, which carries brand names such as Puma, Callaway, TaylorMade, and Titleist. We also have the ability to order from any other manufacturers. We have a golf professional on staff, who is qualified to teach private lessons to men, women, and junior golfers who are wanting to improve their golf game.

The restaurant is housed in the elegant clubhouse. It offers a wide variety of menu items, with an emphasis on good "country" cooking as well as providing a fine dining experience. We are equipped to handle all your entertaining needs and pride ourselves in our friendly and efficient service. The lounge and bar area offers a more casual atmosphere with wide screen televisions, a fireplace, and a full-service bar catering to our adult members and their guests.

A variety of entertainment is regularly scheduled. From dance bands for all ages, DJ's, karaoke, theme parties, holiday buffets, golf tournaments for all ages and skill levels, pool activities for the children, and weekly dining specials.

The clubhouse, golf course, and tennis courts are open every day except Mondays, unless a holiday. The pool is open Memorial Day weekend through Labor Day.

We invite you to join Cedar Creek Country Club to experience lake living at its finest. Located only 45 minutes from Downtown Dallas.
