Contact persons: Robbie & Darrell Petty 214-226-6527

MANAGER'S NOTES

As many of our golfing members are aware the irrigation system that we currently have is 30 years old. The sprinkler heads which are old, brass impact driven heads, have their filter systems (Rock Filters) on the bottom of the unit. Because of this design, the whole head must be dug up out of the ground to clean the filter. However, several years ago these filters were removed because of an algae issue in the 17th pond. The algae were notorious for clogging the filters and disrupting the water flow through the sprinklers. The removal of these filters has led to trash such as fish bones, small rocks and sediment getting in the current sprinkler heads. In turn, on a regular basis, these heads get stuck. Sometimes they run all night or just run in the same spot until they cycle off. Either way, these current sprinkler heads are inefficient, costly and outdated. So costly in fact, that we have spent about \$26,000 on parts alone since January 2016.

The solution is to replace these sprinkler heads with a new, totally incased, gear driven rotor sprinkler heads. These new sprinkler heads have filters that are accessible from the top. If necessary, the screens can be cleaned in 15 minutes. No digging required. Also, these new sprinkler heads can be set to water a limited area. With this new feature, Dwayne can direct the heads to water the green only, not the green side itself. In turn, areas like the front of green #6 or the right side of green #8 will have a chance to dry out when the sprinkler head is directed at the green only.

The Price:

Dwayne can purchase the 240 necessary sprinkler heads at a 42% discount of \$44,000. The Board has decided to finance this project through a secured loan with the bank and use the Sponsor Board funds to make the monthly payments. On average, these payments will be about what we are currently spending to maintain our current system. This much needed update will also free up a tremendous amount of time that Dwayne and his crew can use to more easily maintain your golf course.

Finally, this will be somewhat messy. Most of the changing of the sprinkler heads will happen through the winter. This is a time when the grass is not growing which equates to the repaired areas not healing until late spring or early summer of next year. We ask that you please be patient with these changes as they will prove to be monetarily beneficial to the club and improve the playability of the golf course.

Tournament News

We held our Third Annual Cedar Creek Open on August 4th and 5th. There were 34 participants and the tournament was financially successful for the club. Congratulations to the following winners:

Championship

1st Clint Avara & Justin Bates **131**
2nd Austin Prior & Garrett Glanton **136**
3rd Geoff Moulton & Shad Muth **136**

First Flight

1st Derek Brown & Nathan Anderson **133**
2nd Jason Morris & Garrett Smith **134**
3rd Casey Brown & Jason Hardy **134**

Second Flight

1st James Gray & Austin Gray **130**
1st Matt Dunn & Chad Hutchins **130**
3rd Jon Gaffney & Thomas Dunn **133**
4th Kyle Rutherford & Ed Leal **133**

Third Flight

1st Alex Harrill & Andy Gautreaux **136**
2nd Chad Rawlings & Todd Day **142**
3rd Ronny Snow & Mark Johnson **142**

Finally, due to much needed rain on Sunday, August 12th, we were unable to conclude this year's Ryder Cup style golf match with Pinnacle. The event ended in a tie.

-Randy

27th & 28th	MGA SPONSORED Steak n' Beans	Shotgun	9:00AM & 11:00AM

SUPERINTENDENT'S NOTE

Last month our green's core aeration was scheduled perfectly. We had a 2" rainfall the day before we aerified and that provided enough moisture within the profile of our green's surfaces to allow a complete core to be pulled.

This month we will be concentrating on getting our pre-emergent applied to our course along with our wall to wall fertilizer applications. We plan to apply extra fertilizer to #1 and #9 fairways to strengthen the new turf before winter.

Your course is improving everyday, try to find time to get out and enjoy it.

WOMEN'S GOLF ASSOCIATION

Greetings from the WGA:

As the heat continues to sizzle, our Play Day numbers continue to dwindle. Many of us are just playing nine holes. We realize that our health and well being is much more important than our golf score. However, we did have nine in attendance at our last Scramble. We look forward to cooler weather so we can have a good turnout once again.

Plans are in progress for our upcoming WGA Club Championship on September 13th & 14th. A sign up sheet is posted in the Women's Locker Room. There will be a luncheon after play on Friday. Rhonda Brooks is our Tournament Chairperson and is available if anyone has questions about this tournament.

We also look forward to hosting the Guys & Gals Tournament on Saturday, September 29th. This is a very "laid back" enjoyable tournament for all levels of golfers. It is a Scramble with the winners being chosen in a blind draw. It includes a meal after play where everyone can relax, unwind and talk about all their good and bad shots. You don't have to be a couple to play, if you are a single....ask another single to play with you. A sign up sheet will be available in the Pro Shop.

Stay cool!!

What's Cooking at Cedar Creek

Hello Members of Cedar Creek Country Club.

Thank you so much to all the participants in my most recent survey regarding the possibility of a class on chocolate. I wanted to see if it would garner enough interest to bring in a Chocolatier from Dallas for an exciting afternoon. Unfortunately there was not enough interest for someone to travel that distance.

This fall the restaurant and bar is going to host an event to say thank you for your support of us throughout the summer and the year. Without your participation and patronage we could not do what we do, so thank you. You will be receiving more information in upcoming emails. I would like to welcome Samuel Abrahamson on board as a new culinary team member. He has training in diverse cuisine and was educated through the Le Cordon Bleu College of Culinary Arts in Dallas, Texas. He has created and implemented new dishes and menus that have been successful in previous establishments, the latest of which was Airfare in Harbor Point.

In addition to Samuel joining the team, I would like to announce Zach Travis who is joining our team as well. Zach has trained at Keiser Culinary University in Florida and has worked at many other establishments putting together flavorful dishes reaching a wide array of pallets. Please give Zach and Samuel a warm welcome. We hope their stay here at Cedar Creek Country Club is a long and prosperous one.

With Samuel and Zach joining the team I am still striving to grow the restaurant and put forth new and inviting culinary options for our beloved members. With this extra talent I hope to offer you menu inspired events that showcase the restaurant and its team. Thank you for your continued support, for which I continue to be ever so grateful.

Sincerely,

Jason Bryant
Restaurant Manager
